-----  
In consideration of Banco Daycoval opening or continuing to carry an account in its books for the undersigned, it is agreed that the Bank may make a service charge for the operation of the said account to be collected in such manner as the Bank may from time to time decide. The rate of charge may be ascertained upon enquiry. It is also agreed that the Bank may charge against the said account any indebtedness or liability of the undersigned to the Bank, whether the charging creates or increases an overdraft the undersigned shall be and remain liable to the Bank in respect of each amount so charged and hereby promises to pay on demand any overdraft together with interest thereon at the Bank's then current rate for such an overdraft.
